Dear Family and Friends of True Vine Ministries,

We are excited to introduce True Vine Academy, a new private Christian school dedicated to providing a high-quality, faith-based education for children in our community. We believe that a strong academic foundation, rooted in Christian values, is essential for shaping future generations of leaders and contributing members of society.

At True Vine Academy, we are committed to:

- **Academic Excellence:** Providing a rigorous curriculum that challenges students to reach their full potential, preparing them for success in college and beyond.
- **Christ-Centered Education:** Integrating biblical principles into all aspects of learning, fostering spiritual growth and character development.
- **A Nurturing Environment:** Creating a safe, supportive, and loving community where students feel valued, respected, and empowered to learn.
- **Experienced and Dedicated Faculty:** Hiring highly qualified and passionate educators who are devoted to nurturing the intellectual and spiritual growth of each student.

As we establish True Vine Academy, we seek the support of individuals like you who share our vision. Your generous donation will play a vital role in helping us:

- **Provide Essential Resources:** Acquire textbooks, technology, and educational materials necessary for a comprehensive curriculum.
- **Develop Extracurricular Programs:** Offer sports, arts, music, and other enriching activities to enhance the student experience.
- **Secure Staffing:** Recruit and retain the best teachers and administrators to ensure the highest quality education for our students.

We know you have many worthy causes to support, and we are deeply grateful for your consideration of True Vine Academy. Every contribution, no matter the size, will have a lasting impact on our students and the future of our community.

Thank you for your prayers, generosity, and unwavering support.

Sincerely,

Dr. Ernest & Dr. Cynthia Jones
